

In-Studio Guidelines:

1. We ask students to be dropped off and picked up from the parking lot. The lobby and waiting room are moderately closed. Please watch your child enter the building and inside your teacher will be waiting
 - a. Younger and new dancer parents may enter wearing masks to help their dancer get ready for class, but we kindly ask you to return outside once your dancer starts class.
 - i. We understand the first couple weeks younger dancers may need their parents in the waiting area, but we kindly ask to keep social distancing and face coverings on, till they are comfortable with you leaving. – Our viewing window will not be opened
 - b. Dancers can only enter 5 minutes prior to the start of their scheduled class
2. Dancers must come in their dance attire and all belongings in one bag. No food or drink, with the exception of a clean, water bottle. We are Suggesting dancers to enter wearing a mask, but it's not required to be worn during class.
 - a. Please try your best to have your dancers use the restroom at home prior to arriving
 - b. Please arrive on time, dressed and ready
3. Dancers will get hand sanitizer before entering the dance room and will be spaced throughout the studio to allow the proper spacing requirements
4. Dancers will return to their chairs to change shoes (teachers will help change shoes if needed) After shoe change everyone gets hand sanitizer again.
5. Bathroom: there is hand sanitizer outside of the bathrooms. After each use we will ask if they washed hands. We will have them re-apply hand sanitizer and a teacher will spray potty and sink with disinfectant after every use. Again, please have your dancer use prior to class to limit the usage.
6. At the end of each class (we adjusted the schedule slightly to have gaps) Dancers will retrieve street shoes and pack bags. They then will be dismissed to their parents. Teacher will prep and clean for the next class. We ask parents to wait in cars, or in the grass area outside the door. If waiting outside, please distance your self away from the door and keep in mind current social distance allowance and face masks are suggested.
7. Between each class: all bars, chairs, are wiped down or sprayed with disinfectant. Floors are swiffered. The bathroom sink and potty are re-sprayed and all door handles, door knobs, and common areas will be wiped.
8. Please keep any child home if they are sick, have or had fever in the last 48 hours, or if anyone in the home is sick. We will send anyone home who doesn't feel well or if a student looks unwell, we also have laser thermometers on hand to Check temps if needed. If your dancer has been in contact with anyone suspected of having covid-19, or has been out of state 14 days prior to their class are not allowed inside the building.
9. At the end of each night, the teachers will wipe down all surfaces

***Please note these guidelines may change due to current restrictions and guidance and may be temporary or year long. We have adjusted our schedule this year to allow gaps in between classes. Please do not enter prior to 5 minutes before scheduled class time. We will keep our families and dancers up to date and aware of all changes.**

Please do our weekly question check prior to coming into class:

- 1) Have you been in close contact with someone who has tested positive with covid in the last 2 weeks?
- 2) In the past 48 hours have you have a fever, a cough or any other cold symptoms?
- 3) Have you traveled outside of the state in the last 14 days?

If answered yes to any of these, you should **not** be in class.

Thank you!!

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and restrictions.

Dancing Feet Studios (DFS) has put in place preventative measures to reduce the spread of COVID-19; however, DFS cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending DFS could increase your risk and your child(ren)'s risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending DFS and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at DFS may result from the actions, omissions, or negligence of myself and others, including, but not limited to, DFS employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at DFS or participation in DFS classes. On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless DFS, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of DFS, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Dancing Feet Studios (DFS) programs, classes or events.

I have also read and understand the In-Studio Guideline sheet
